

Apurba Subedi

Kathmandu, Nepal | 9808890710 | apurbasubedi.as@gmail.com

Summary

As a fourth-year computer engineering student with a solid foundation in JavaScript and a growing expertise in React, I am passionate about building dynamic and user-friendly web applications. I thrive on learning new technologies and applying them to solve real-world problems. My strengths include attention to detail, problem-solving, and creating intuitive front-end solutions. Enthusiastic about contributing my skills, I am eager to tackle exciting challenges in the realm of web development and JavaScript frameworks.

Education

Advanced College of Engineering and Management Bachelor's in Computer Engineering (on going 8 th Semester)	2020-2025
Trinity International College +2 Science, 2.79 GPA	2018-2020
